# "EXPERIENCES ARE NOT INHERITED - EVERYONE HAS TO MAKE THEM ON THEIR OWN"

~ Kurt Tucholsky

**Dear pajoma® client,**

We are excited to announce to you that we took over the family-owned company and are full of drive to delight you together with our reliable team.

So, we take this opportunity to present the new catalogue for the upcoming **season 2021/2022.**

Offer your clients a feeling of wellness with our "Relax & Enjoy" Edition together with several decorative items such as fountains for in- and outdoor use or Buddha figures.

You can also find great gift items, for example our "Apothecary" Edition, our fragrance sets, candles, and further accessories in our diverse assortment.

One of our core strengths is the private labeling section, where we are very competitive while having low minimum order quantities paired with good prices.

We, the team of pajoma®, are happy to assist when you have wishes or if there may arise questions of any kind.

Do not hesitate to contact us – it's our pleasure to work together with you!

**With warm regards from Northern Germany,**

Christin zum Felde & Maximilian Steyer
